ENTAIL

dEepen the aNalysis of souTh Adrlatic
popular music

We let the music of our past inspire the rhythms of our future

Main Goal

The Project aims to deepen the analysis of South Adriatic popular music by building upon the EArPieCe project's efforts to recover and valorize a diverse musical and ethnological repertoire, emphasizing the importance of preserving and adapting traditions while promoting interregional collaboration to enhance cultural exchange and understanding, also with neurobiological evidences
